

Corrections USA

Our Voice, Our Future

- ◆ Never before in United States history have public employees been under such attacks!
- ◆ Work together to stop the rise of inmates in for-profit beds!
- ◆ Combat the assaults on staff!
- ◆ Stop the For-Profit Prisons, "Send the inmates out of state," cash cow!
- ◆ Educate the public about "The toughest job in law enforcement!"
- ◆ Educate decision makers at the local, state and federal levels of government, TOGETHER!

**"Patrolling Law Enforcement's
Toughest Beat"**

Join thousands of Officers and Correctional Professionals from the local, the state and the federal levels of government! Work with us to gain national recognition for our profession. CUSA is a coalition of Officers who believe that we have a national obligation to each other. We are no longer willing to be silent. Apathy is our biggest enemy. Get connected, get involved and join CUSA.
